## ABOUT CATE

Cate partners with her coaching clients to expand their leadership presence and signature influence through greater self-awareness, leveraging their strengths and developing the critical leadership competencies they need to succeed in their roles. Leading authentically, navigating critical transitions, and increasing well-being to mitigate burn-out are among her areas of expertise. She focuses on the whole person, working with her clients to bring clarity to their aspirations as leaders, to identify their challenges and strengths and to define pathways to accomplishing the goals they aspire to achieve.

Cate served as a founding Director in PwC's prestigious Leadership Coaching Center of Excellence, providing coaching, facilitation and training to PwC leaders across their accounting, advisory, and tax lines of service. Prior to PwC, Cate brought culture and leadership transformation to the companies in which she worked, coaching executive and senior management staff through the resulting personal and organizational changes. Whether it is in a one-to-one coaching engagement, or in a dynamic group leadership experience, Cate is recognized for her authentic, substantive voice and her ability to bring out the best in her clients. She is a sought-after leadership coach who brings a passion for leadership transformation and a depth of business insights to each of her clients.

Her depth of business insights come from experience. Cate Sabatini is an executive leader with over 30 years of demonstrated success in business, technology and coaching in the Big 4 consulting, biotech, pharmaceutical and high-tech industries.

## THE COACHING PRACTICE

Growth happens in hard spaces. And deep growth happens in relationships where there is a partner with you in those hard spaces. At Bloombase, we don't avoid the hard, we embrace it as our greatest learning ground. It's not an easy journey. It's yours to own, and you don't need to do it alone.

We are your catalyst as you close the gap between where you are now and your maximum potential. Bloombase coaches challenge you to investigate, explore and tackle your most important work. We create an environment of trust that allows you to take risks and explore new ways of being that infuse your energy and innovation.

## BLOOMBASE

Bloombase is a catalyst for meaningful, transformative development that creates positive, sustainable impact. Bloombase diagnoses, designs, develops and delivers custom development experiences. These experiences focus on development at the individual level, the team level, and the organizational/systems level.
